Question: Meter Reader was averaging during
vacancy not for one month. Why?

Question: Neighbors both sides of my house
full capacity during this period of month.
Their bills were only a fraction of our bill?
8919 was converted to total electric NO GAS!

Wherefore, complainant asks Eliminate both bills
(Specifically state the relief desired.)

for the two houses due to company L&E
taking advantage of the consumer by
overcharging for heat during winter months
in ~~period~~ of no vacancy.
